Route to reach CCS Lab

CCSLAB
Computer & Communication
Security Laboratory

[Come to CCS Lab from Incheon International Airport]

There are **three ways** to come to our lab from the Incheon International Airport:
i) By Subway, **ii) By Airport Limousine + Bus**, and **iii) By Taxi**.
We recommend that you take the **Subway**, since the traffic is usually heavy during the rush-hour time (from 7 AM to 10 AM, and from 5 PM to 8 PM), and the cost is quite expensive when you take a transportation other than the subway.
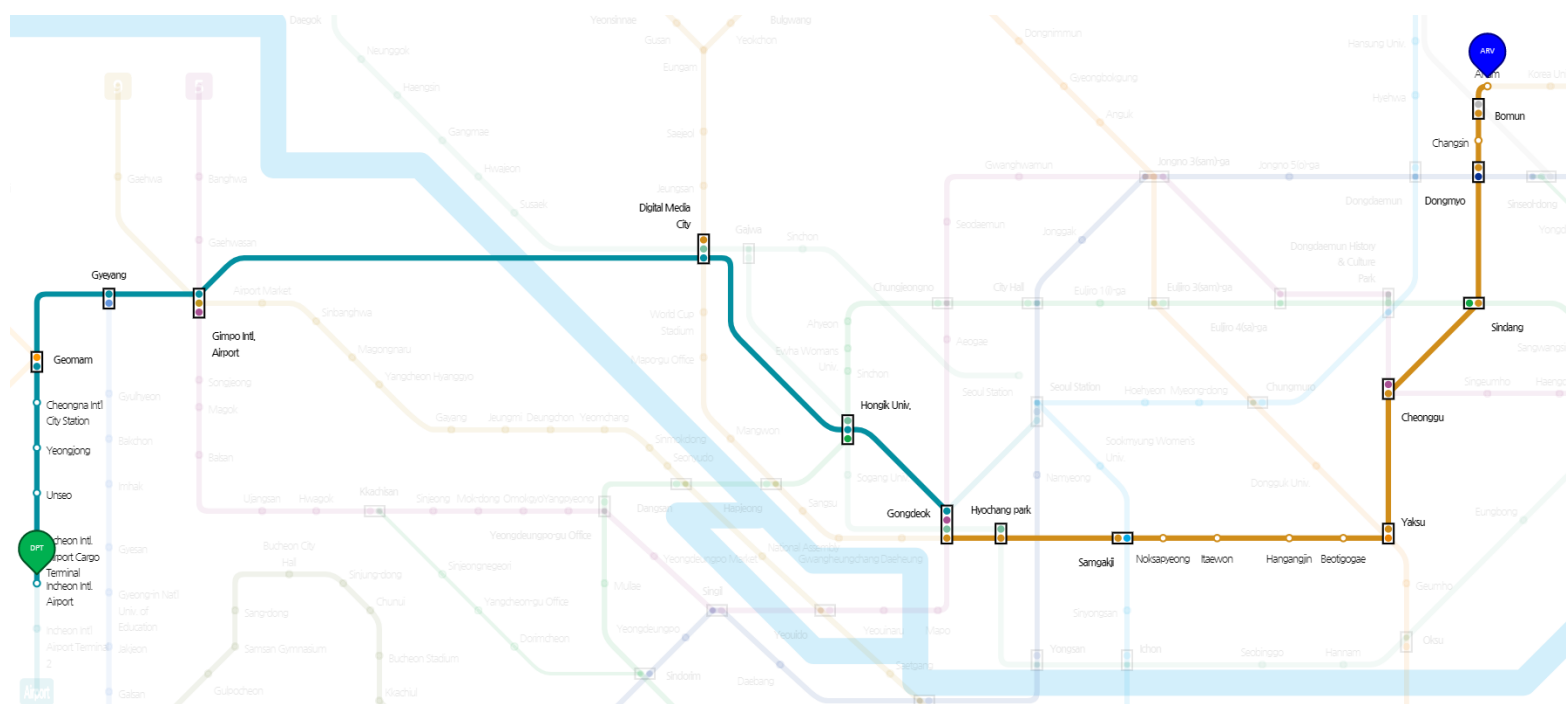

i) By Subway (Entire route is depicted in the figure below)
   A. Approximate Time: **1 Hour 30 Minutes**
   B. Approximate Fare: **5,000 KRW (Won)** – Buy tickets on the ticket machine
   C. Direction
      ① Take an **Airport Railroad** on the Incheon International Airport station
      ② Transfer to the **Subway Line 6** at **Gongdeok(공덕) station** (after 10 ~ 11 stops), heading for Bonghwasan(봉화산) station
      ③ Take off the subway at **Anam(안암) station** (after 13 stops) **Exit 4**, and follow the route mentioned in the map on **Page 1**

(For enlarged route image, see https://ccs.korea.ac.kr/subway.png)

ii) By Airport Limousine + Bus
